Erratum to: Efficacy and safety of lomitapide in homozygous familial hypercholesterolaemia: the panEuropean retrospective observational study

Eur J Prev Cardio 2022; <https://doi.org/10.1093/eurjpc/zwab229>

In the originally published version, named members of the *Italian and European Working Group on Lomitapide in HoFH* were mistakenly included in the supplementary data section, rather than the main body of the manuscript.
