

Erratum

Vitamin C Further Improves the Protective Effect of Glucagon-Like Peptide-1 on Acute Hypoglycemia-Induced Oxidative Stress, Inflammation, and Endothelial Dysfunction in Type 1 Diabetes. *Diabetes Care* 2013;36:4104–4108

DOI: 10.2337/dc14-er07

In the print version of the article cited above, in the RESEARCH DESIGN AND METHODS section, the sentence “Studies were approved by the ethical committees of our institutions, and all participants gave written informed consent” should have read “Studies were approved by one of the ethical committees of our institutions, and all participants gave written informed consent.” The online version reflects these changes.
