

# Italian Researchers in China

The Italian Scientific Contribution to the European Commission  
“Science & Technology Fellowship Programme in China”

**Embassy of Italy**

**Scientific and Technological Office**

[www.ambpechino.esteri.it](http://www.ambpechino.esteri.it) - [www.italychinasciencetechnology.com](http://www.italychinasciencetechnology.com)

Beijing, Embassy of Italy - Istituto Italiano di Cultura, September 24<sup>th</sup>, 2009 - 9:15 AM

San Li Tun, Dong Er Jie No.2, Beijing // 三里屯东二街2号, 100600 北京, 中国

## **9:30 The Science & Technology Fellowship Programme in China**

**Riccardo Sessa** - Ambassador of Italy in Beijing

**Johan Cauwenbergh** - Minister Counsellor, Head of Cooperation and Development Section, Delegation of the European Commission, Beijing

**Yao Weike** - Deputy Director General of International Cooperation, MOST, Beijing

## **10:00 Presentation of the New Website [www.italychinasciencetechnology.com](http://www.italychinasciencetechnology.com)**

**Giuseppe Rao** - Scientific, Technological and Industrial Innovation Office, Embassy of Italy in Beijing

## **10:15 Coffee Break**

## **10:30 Section I: Scientific Research, Technology, Industry and Eu-China Partnership**

**Chairman: Pietro Sferra Carini** - Political Counsellor, Embassy of Italy in Beijing

**Claudio Petti**, *Making science and technology research worth the effort: Some insights in how to bring new technologies to market*

Discussant:

**Giuseppina Passiante** - Professor, Director, Center for Innovative Entrepreneurial Culture at Department of Innovation Engineering, PhD Coordinator Scuola Superiore ISUFI, University of Salento, Lecce

**Zhang Shujun** - Professor, Assistant Dean & Chair, Department of Business Administration, School of Business, Sun Yat-sen University, Guangzhou

**Alessandro Spano**, *Recent developments and trends in China's antitrust policy - perspective for foreign investors*

Discussant:

**Andrea Biondi** - Professor, Co-Director, Centre of European Law, School of Law, King's College, London; Visiting professor, Faculty of Law, Alma Mater Studiorum University, Bologna

**Wang Zhenmin** - Professor, Dean, School of Law, Tsinghua University, Beijing

**Raffaello Pantucci**, *The Contours of a Future EU-China Strategic Relationship*

Discussant:

**Li Lifan** - Professor, Institute of Eurasian Studies, Shanghai Academy of Social Sciences

**Paolo Farah**, *National Energy Policies and Global Environmental Issues: A Theoretical Framework for Reconciling Domestic and International Law*

Discussant:

**Nerina Boschiero** - Professor, Director, Department of Public, Civil Procedure, International and European Law, Faculty of Law, University of Milan

**Huang Zhenzhong** - Professor, Vice-Dean, Faculty of Law, Beijing Normal University

**12:30 Lunch**

**14:00 Section II: Environment and Energy**

**Chairman: Paolo Crudele** - Head, Economic & Commercial Office, Embassy of Italy in Beijing

**Cristiano Varrone**, *Linking biohydrogen and biodiesel production: “a promising route to achieve economic viability in the biofuel industry”*

Discussant:

**Giulio Izzo** - Head, Division of Environmental Biology and Nature Conservation, Department of Biotechnologies, Agroindustry and Health Protection, ENEA Casaccia, Rome

**Wang Aijie** - Professor, Vice Director, Joint Center for Microbial Ecology in Engineered Systems, Provincial Key Lab of Environmental Biotechnology, “State Key Laboratory of Urban Water Resource And Environment”, Harbin Institute of Technology

**Francesco Di Maio**, *Methods and tools for the Risk-informed design and operation of safe nuclear power plants*

Discussant:

**Tong Jiejuan** - Professor, Institute of Nuclear and New Energy Technology, Tsinghua University, Beijing

**Giada Migliore**, *Degradation of seagrass and seaweed biomass. Possible use for organic waste disposal and production of bio fuel*

Discussant:

**Chiara Alisi** - Department for the Environment, Global Change and Sustainable Development, Environmental Analytical Chemistry Laboratory, ENEA, Rome

**Ren Nanqi** - Professor, Assistant President, Harbin Institute of Technology; Dean, School of Municipal & Environmental Engineering, Harbin Institute of Technology

**Andrea Critto**, *Environmental risk assessment and management: a sustainable way to manage environmental pollution*

Discussant:

**Antonio Marcomini** - Professor, Department of Environmental Sciences, University Ca' Foscari of Venice

**Zhou Yun** - Professor, Director, International Cooperation Center, Chinese Research Academy of Environmental Sciences, Beijing

**Omar Pandoli**, *Design and characterization of new materials for the assembly of micro and nano devices: the gateway toward improved and novel applications in medical, life, and environmental sciences*

Discussant:

**Alberto Cavazzini** - Department of Chemistry, University of Ferrara

**Daxiang Cui** - Professor, Director, Department of Bio-Nano Science and Engineering National Key Laboratory of Micro/Nano Science and Technology Institute of Micro/Nano Science and Technology, Jiao Tong University, Shanghai

**16:30 Conclusions**

**18:30 Dinner**
