

Editor: **Devillers**

Cat. No.: **K15134**

CONTRIBUTOR AGREEMENT

It is agreed on this 13th day of January, 2014, by and between Chapter Author(s):

Paolo Tremolada and Marco Vighi

(hereinafter referred to as the "Contributor(s)") and Taylor & Francis Group, LLC, a State of Delaware limited liability company, having its principal place of business at 6000 Broken Sound Parkway NW, Suite 300, Boca Raton, FL 33487, U.S.A. (hereinafter referred to as the "Publisher") that the above-named Contributor(s) shall prepare textual material (the "Manuscript"), including all references, figures, and tables (jointly the "Contribution"), typed double-spaced on 8 1/2" x 11" (or A4) paper and on disk, prepared in accordance with the *Author's Guide to Publishing*, a copy of which will be provided by the Publisher. All artwork must also be delivered on disk as well as paper. The Contribution is due to the Editor for the chapter tentatively entitled:

Title: *Mathematical models for the comprehension of chemical contamination into the hive*

Chapter No.: **8**

commissioned by Publisher for use as a contribution to a collective work (tentatively) entitled, *In Silico Bees*, (hereinafter referred to as the "Work"), which shall be deemed to be a work made for hire. As such, copyrights in the Work will inure to the benefit of the Publisher, and the Publisher will own the publication, its title and component parts, and all publication rights. This permits the Publisher, in its own name, to claim copyright in the Contribution, make applications to register its copyright claim, and to renew its copyright certificate.

The Contributor(s) represent that the Manuscript is original except for material in the public domain and such excerpts from other works as may be included with prior written permission of the copyright owners in both electronic and book form, in perpetuity. The Publisher will make available to the Contributor(s) a Permission Verification Form that has been approved by the Publisher for the Contributor(s) to list copyrighted material for which permission has been obtained. The cost of obtaining such permission(s) shall be borne by the Contributor(s).

If the Contribution is accepted by the Publisher for publication in the Work, the Publisher agrees that the Contributor(s) shall receive credit as the author(s) of the Contribution and one complimentary copy of the first edition of the Work in which the Contribution appears. If there are multiple Contributors to a Contribution, the designated Senior Contributor shall receive the complimentary copy. All remaining contributors shall receive one complimentary electronic copy each.

Warranty & Permissions: Contributor(s) represents and warrants to Publisher that the Manuscript and all figures, illustrations, tabular material, and other supplementary material shall be original on Contributor's(s') part. Contributor(s) further warrants that the Contribution shall contain no libelous or unlawful statements, contain no instructions that may cause harm or injury, and shall not infringe upon or violate any copyright, trademark, or other right or the privacy of others.

*Please note that each Contributor must complete an individually-signed Contributor Agreement.
This Agreement must be on file prior to the publication of the Work.
Please notify us of any address change.*

Contributor: **TREMOLADA, Paolo**

Affiliation (Company, University): **University of Milan, Department of Biosciences**

Mailing Address (No P.O. Boxes, please). If a University address, please include building name and number:
