The primary language of the document is Spanish. It discusses the importance of second language acquisition and the process of learning a new language. The text mentions the need for consistent practice and exposure to the language in order to improve fluency and comprehension. It also highlights the significance of immersion in a language-speaking environment to aid in language learning. The document further elaborates on the benefits of bilingual education and the challenges faced in achieving effective language instruction. Overall, the text seems to emphasize the importance of dedication and consistent effort in mastering a new language.
