PEDIATRIC & ADOLESCENT OSTEOSARCOMA ...

PROGRESS FROM THE PAST, PROSPECTS FOR THE FUTURE

FOCUS

This symposium will review interdisciplinary approaches utilized in the treatment of osteosarcoma, to include clinical manifestations, pathology, imaging, chemotherapy, radiotherapy, surgical management of the primary tumor and pulmonary metastases and rehabilitation. This is the first symposium devoted entirely to the clinical investigation and treatment of pediatric and adolescent osteosarcoma.

EDUCATIONAL OBJECTIVES

At the conclusion of the symposium, participants should be able to

- discuss the clinical and biological behavior of osteosarcoma;
- evaluate current methods of investigation and treatment;
- explain the application of the different chemotherapeutic agents and their efficacy and toxicity;
- describe the current tactics and strategy of treatment utilizing different osteosarcoma protocols;
- identify new therapeutic approaches currently under discussion and investigation for future treatment of osteosarcoma.

TARGET AUDIENCE

This program should be of interest to medical and pediatric oncologists, radiologists, radiotherapists, surgical orthopedic oncologists, immunologists, pediatric oncology nurses, social workers and child life workers.

EDUCATIONAL METHODS

- Lectures
- Question-and-Answer Sessions
- Panel Discussions

EVALUATION

A course evaluation form will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

ACCREDITATION/CREDIT DESIGNATION

The University of Texas M. D. Anderson Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

PHYSICIANS

The University of Texas M. D. Anderson Cancer Center designates this educational activity for a maximum of 17.25 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

NURSES

Nursing Continuing Education Contact Hours will be awarded.

The University of Texas M. D. Anderson Cancer Center is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This activity meets Type 1 criteria for mandatory continuing education requirements toward relicensure as established by the Board of Nurse Examiners for the State of Texas.

SOCIAL WORK

The University of Texas M. D. Anderson Cancer Center Department of Social Work is an approved provider through the Texas State Board of Social Work Examiners. This program has applied for Social Work CEUs.

CME CERTIFICATES AND ATTENDANCE VERIFICATION CERTIFICATES

Certificates awarding *AMA PRA Category 1 Credit*[™] or certificates documenting attendance will be distributed to participants as they depart the conference. To obtain a CME certificate, physicians must submit a completed evaluation questionnaire and a *CME Verification Form*.

Upon request, a record of attendance (certificate) will be provided on-site to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
